

Johannes Werner

Interim IT Leadership

+49 176 313 79 894 Johannes.Werner@rakitin.de Larnaca, CY linkedin.com/in/johannes-werner-it

■ PROFILE

Senior IT professional with 15+ years in enterprise IT, cloud transformation and security-driven integration across banking, insurance, logistics and healthcare. Designed and governed large-scale IT architectures across Europe, enabling M&A integrations, cost reductions up to 20%, and accelerated client onboarding from months to weeks. Bilingual (EN/DE), remote-native.

■ SELECTED EXPERIENCE

IT Lead Consultant (Freelance)

Aug 2024 – Jun 2026

Officium21 GmbH

- Acting as Head of IT, delivered 99.5% uptime for healthcare platforms by defining and executing a roadmap for data protection and reliability.

Senior Infrastructure Architect (Freelance)

Aug 2024 – Feb 2025

HR NAVIX LTD

- Designed cloud infrastructure strategy for a scalable platform; delivered HA and DR with zero downtime incidents.

Senior DevOps Manager (Freelance)

Apr 2024 – Jul 2024

ING Germany AG

- Delivered a securitisation platform in a BaFin-regulated banking environment; aligned to ICT-risk and operational-resilience standards, with secure rollout across DEV to PRD.

Lead IT Strategy Consultant (Freelance)

Nov 2023 – Mar 2024

Officium21 GmbH

- Defined architecture and roadmap for a lead-gen platform; enabled 5x scalability while staying audit-ready.

Cloud Migration and Release Manager (Freelance)

Dec 2022 – Oct 2023

Baloise Group (formerly Basler)

- Led migration of a mission-critical insurance platform (Guidewire, 50k+ end-users) to cloud with zero downtime.
